

Website Coordinator

Website Coordinator

In this role, you will:

- Keep falmouthmarineconservation.com up to date with current events, volunteer opportunities and relevant news
- Be able to work with the team to collate any updates that need to go on the website

About you/key skills:

- Experience with website design/website management systems (ideally Wix)
- Willing to learn and be excited about new advancements coming to the FMC page, e.g.: a blog
- Be prompt at replying to enquiries and able to attend meetings (this can be virtual and you do not need to be based in Cornwall, though this would be an advantage)

Please email info@falmouthmarineconservation.co.uk to tell us why you'd like to apply for this role and any relevant experience you may have
